Hello Neighbor

(AND HELLO SUMMER!)

The sunshine is out and summer is in full swing in Norton Commons! We are SO glad to see your smiling faces after what feels like a very long winter. Greeting neighbors in the streets, seeing familiar faces at community events, and catching up at the pools or parks are distinct pleasures that take on a new meaning this year, and for that we're grateful.

We welcomed the season with a return of our Sunday Farmers Markets and the reopening of the North Village Market Cottages. Food Truck Fridays have been a huge hit so far and provide an easy and enjoyable start to each weekend here in Norton Commons.

Our 6th annual Art Festival returned May 15 & 16 with over 75 artists, craftspeople, musicians, and food vendors. The festival took place in our new North Village Square - a location change from past years - and was probably our best-attended and most enjoyable yet. Music by the Water resumed May 22 and drew a full crowd ready to dance the night away at the amphitheater. Through all these events, one observation remains constant - most everyone seems happy, grateful and ready to fully embrace a vibrant summer in Norton Commons.

We've included an events' calendar here so you too can join in on the fun. Some highlights to look forward to include an exotic car show on June 26, Music by the Water on July 24 and August 28, and Homearama 2021 on September 11-26. For Homearama - which was virtual last year due to COVID - expect to see a comeback of epic proportions. Nine gorgeous show homes surround Peppermint Park with color-coordinated exteriors channeling historic Old Louisville. The site will be an instant best-loved spot in the neighborhood for generations to come, and you won't want to miss seeing it in person.

Norton Commons' real estate market remains vibrant, with available homes at record lows. That said, great lots abound and allow you to build your custom dream home exactly as you see fit. We continue to forge ahead in our Oldham County section, the Hamlet, with less dense lots and some new exciting styles like modern farmhouse. The Hamlet is part of the award-winning Oldham County Public School District, making it that much more wonderful. We're taking lot deposits for the Hamlet and other sections now, so call if you'd like to learn more.

In other exciting news is the recent announcement that the famed charcuterie wizards at Board and You will open a bistro here in Norton Commons. To be located on the South Village Town Square, it promises tasty charcuterie, paninis, soups, salads, and a killer wine and cocktail menu later this summer. We simply cannot wait!

We're ready for an amazing summer, and we're hopeful we'll get to share it with you, Neighbor. If you'd like to learn more about living in a vibrant community, please get in touch. Check us out at NortonCommons.com or on social @NortonCommonsKY. See you around the neighborhood!

-The Norton Commons Development Team

NORTON COMMONS[®] REALTY

SAVE THE DATE FOR **HOMEARAMA** NORTON COMMONS 2021

SEPTEMBER 11-26, 2021

Great lots still available around Peppermint Park & deposits being accepted for our first Oldham County section.

Loans are subject to credit review and approval. Closing costs may apply. ETFCU mortgage lending product availability may vary based on property location. A sample principal and interest payment on a (7)-year \$500,000 adjustable-rate loan amount with a 3.500% interest rate (3.575% APR) is \$5,719.93. Taxes and insurance are not included; therefore, the actual payment obligation will be greater. Actual interest rate may vary based on credit history. After the initial seven year period, your interest rate can increase or decrease annually based on the average of interbank offered rates for one-year U.S. dollar-denominated deposits in the Secured Overnight Financing Rate (SOFR) index as published on the New York Federal Reserve website, plus our margin, which varies among ETFCU adjustable-rate mortgage products. Visit etfcu.org/mortgagecalculator to calculate payments with other terms, balances, or rates. An ARM is an adjustable-rate mortgage that has an initial interest rate for the first three, five, seven or ten years and an adjustment interval of one year thereafter. The 7/1 product listed above is a 30-year loan where the initial interest rate is fixed for the first seven years (84 payments). Any change may significantly impact your monthly payment. Additional rates and programs available. Visit us online for current rate information. The rate on 80% adjustable-rate home equity line of credit is the prime rate as published on the first business day of each month in the Wall Street Journal. Our 95% adjustable-rate home equity line of credit has the same benefits and uses the same index with a rate of 1.5% above the prime rate. There is a maximum cap of 18% APR. Offer available for new primary mortgage loans and mortgage loans already established at ETFCU when refinanced with at least \$10,000 new money. These offers are available on conventional conforming financing of purchases for primary residences only. Contact an ETFCU mortgage loan officer for details. (1) Rate Match restrictions apply. (2) Gift card offer is available on financing of purchase or construction loans. For primary residences only. Purchase or construction loan amounts up to \$149,999 will receive a \$250 gift Card. Purchase or construction loan amounts of \$150,000 or greater will receive a \$500 gift card. Not valid in combination with any other offer. ETFCU mortgage lending product availability may vary based on property location. (3) Available to residents, fellowship, newly established, or established physicians with MD, DO, DDS, DMD, OD, or DP credentials. FEDERALLY INSURED BY NCUA | NMLS#518136 | @EQUAL HOUSING LENDER
