# Art Festival

May 20 & 21, 2023

11 am-5 pm • North Village Town Square

6324 River Beauty Loop • 502.412.5085 • [www.nortoncommons.com/events](http://www.nortoncommons.com/events)

Hi Neighbor!

The days are getting longer, the sun seems to be shining more, and the first daffodils are starting to poke through the cold, hard ground. Winter may not be officially over, but we're moving full steam ahead toward a beautiful spring and summer. During the chilly, sleepy months, we've been busy planning an unforgettable upcoming year for our community, and we hope you'll be a part of it.

We recently unveiled our 2023 Events calendar on social media. It's chock full of family-friendly fun starting in April and lasting all the way through December. You'll see fan favorites like Farmers' Market, Food Truck Friday, Art Festival, and the Music by the Water Series, but you'll also see newer events like Cars in the Commons and our Mini-Oktoberfest, too. The calendar has been printed on the back of this magazine for easy access, so be sure to save it for future reference. As with most great things, it's a work in progress, so don't be surprised if you see additions to that list as the year progresses.

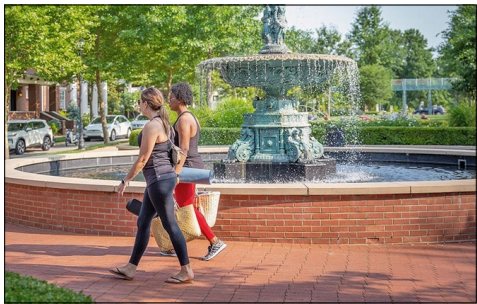

In our business district, there wasn't much of a winter slowdown as we've celebrated new business openings every single month and sometimes several within just a few weeks. Recently, we welcomed Sit Still Kids, an elevated kid's salon; Quills; a full-service coffee shop in the North Village; Nicole & B Boutique, a women's clothing and accessory boutique; and Royal Room, a small events venue, to the neighborhood. In December, Alchemy Restaurant opened in our South Village. Their incredible Venezuelan fusion menu offers something to please every palate, and their smoky old fashioned cocktail is not to be missed. Any day now Con Huevos will open its doors serving delicious breakfast and lunches. Their newly renovated space promises to be a great addition to the community. In short, if you're looking for a place to grab a bite to eat or a drink, Norton Commons is the spot.

On the real estate front, the market remains lively and move-in ready inventory is low. Our sales team is excited about new condo and townhome offerings in particular this year, and new single-family properties are also coming soon. Norton Commons was fortunate to report a record-breaking year in 2022 and we're hopeful for a great 2023. The Hamlet, our Oldham County section, remains a high-interest area thanks to the beautiful setting, roomier feel, and award-winning school system. This year, we'll also open a new Jefferson County section which backs up to a green space with beautiful mature trees. This new section has great options for custom builds of all sizes, as do the remaining available Hamlet lots.

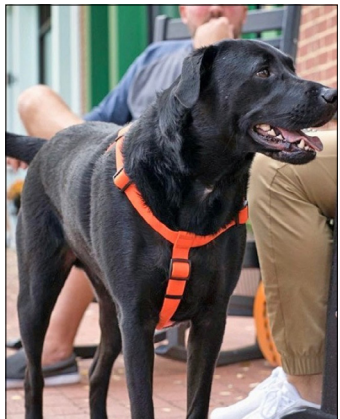

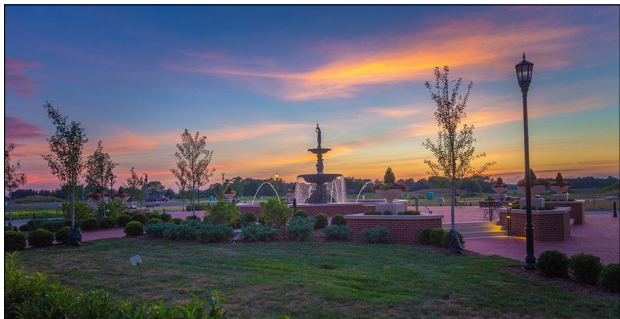

Regardless of which part of the neighborhood you're considering, you're sure to appreciate its easy walkability, high-quality local business mix, top-notch amenities, and persistent vibrancy. If you're not a neighbor (yet), plan to stop by for great local shopping, an unforgettable meal, a tasty cocktail, or a fun event. Who knows? It may be the perfect chance to see what the Norton Commons lifestyle is all about. If you want to learn more about the community, stop by our sales center and talk to one of our knowledgeable agents. They have almost two decades of experience with the Norton Commons community exclusively, and no one knows it better.

Whether you're a neighbor or just stopping through, as the days grow warmer and longer, we hope to see you around the neighborhood soon.

*-The Norton Commons Development Team*

Loans are subject to credit review and approval. Fixed- and adjustable-rate purchase and construction loans listed require a minimum 5% down payment. Closing costs may apply. A sample principal and interest payment on a (7)-year \$500,000 adjustable-rate loan amount with a 3.500% interest rate (3.575% APR) is \$6,719.93. Taxes and insurance are not included; therefore, the actual payment obligation will be greater. Actual interest rate may vary based on credit history. An ARM is an adjustable-rate mortgage that has an initial interest rate for the first three, five, seven or ten years and an adjustment interval of 6 months thereafter. The 7/6 ARM product is a 30-year loan where the initial interest rate is fixed for the first seven years (84 payments). After the initial seven year period, your interest rate can increase or decrease semiannually based on the Secured Overnight Financing Rate (SOFR) index as published on the New York Federal Reserve website, plus our margin, which varies among Liberty FCU adjustable-rate mortgage products. Any change may significantly impact your monthly payment. Additional rates and programs available. Visit us online for current rate information. The rate on 80% adjustable-rate home equity line of credit is the prime rate as published on the first business day of each month in the Wall Street Journal. Our 95% adjustable-rate home equity line of credit has the same benefits and uses the same index with a rate of 1.5% above the prime rate. There is a maximum cap of 18% APR. Offer available for new primary mortgage loans and mortgage loans already established at Liberty FCU when refinanced with at least \$10,000 new money. These offers are available on conventional conforming financing of purchases for primary residences only. Contact a Liberty FCU mortgage loan officer for details. (1) Available to residents, fellowship, newly established, or established physicians with MD, DO, DDS, DMD, OD, or DP credentials. (2) During this time, interest only payments and escrow will be due monthly. Product offerings may vary by state or region. Federally Insured by NCUA. Equal Opportunity Lender. NMLS #518136
