HOLIDAY CRAFT MARKET  
DECEMBER 2-3, 10AM-6PM  
(NORTH VILLAGE MARKET)

## DEAR NEIGHBOR,

The most wonderful time of the year is almost upon us—the season of gratitude, giving, and child-like joy. In Norton Commons, we're positively giddy to watch the leaves change on our 2700+ trees, see holiday decorations hung with care, and witness families reunite in happiness for the holidays. When counting our blessings, we're most thankful for our delightful neighbors and local business operators who make Norton Commons such a special place.

Our community has had a heck of a year thus far. With almost 70 new families choosing to build their dream home in Norton Commons, plus many more who purchased a previously-loved home, we have plenty of new neighbors to meet. We opened a new section of the Hamlet in Oldham County, and will offer some well-planned spec homes for sale there soon. Our sales team is thrilled to introduce unique condos and townhomes to the market in the coming months, too.

We've experienced tremendous growth in our commercial districts recently also. More than 15 new businesses have or will open this year, offering valuable goods and convenient services to the Norton Commons community and beyond. Our business count is over 110 presently, making up one of the largest collections of independent businesses in a single area in the region. From new dining options and unique boutiques to top-notch medical service providers, it's clear why so many enjoy the myriad conveniences of living in Norton Commons. As one resident recently told us: "it's easy to love and hard to leave."

Though it's been a great year, we're not quite finished with 2023 yet. We've got wonderful holiday celebrations lined up you won't want to miss. Shop Small Saturday is November 25, when almost all our shops will offer great promotions and holiday specials. Then on December 2, join us for our Holiday Open House for shopping specials, refreshments, and our annual Toys for Tots drive. Bring a new, unwrapped toy donation for Toys for Tots and receive either a complimentary horse-drawn carriage ride or photo with Santa. Bring two toys and get both! We'll also host a tree lighting ceremony on December 2 at 6pm, complete with festive tunes and holiday regalia. Both events will be perfect for supporting local retailers while getting incredible, unique gifts for everyone on your list.

We're also excited to share our Holiday Craft Market, now in its second year. This artisan hotspot will open December 2-3, 10am-6pm, with over 20 talented makers, plus our 6 cottage shops. The Holiday Craft Market is located in the North Village Market alongside our Christmas tree lot, back this year with plenty of fresh-cut trees, wreaths, and more. Check out the tree lot starting Thanksgiving week.

In the wise words of Lou Holtz, "In this world, you're either growing or dying, so get in motion and grow." The community of Norton Commons is indeed growing and very much in motion. To our neighbors, business owners, and visitors who make this possible: we thank you. We are creating a community together, and we're thrilled you're part of it.

Whatever your holiday plans, we hope to see you around the neighborhood soon. Wishing you a very happy holiday season.
