NORTON COMMONS®
More Life Per Square Foot

10920 Meeting Street

Dear Neighbor:

The weather is warming up, the days are longer, restaurant patios are full, and neighborhood streets are buzzing with activity. That can only mean one thing: summer is finally here!

Though we love all the seasons, summer has got to be our favorite. It's when we get to see our community truly come alive and become the vibrant, dynamic place it was meant to be. We consider these next few months our "time to shine," and thus, preparations for an unforgettable summer have been long underway. Trees have been trimmed, flowers have been planted, and park spaces have been gussied up. Events have been planned and community activities are in full swing. We've been daydreaming about this season for months, and we can't wait to welcome you to our community this summer.

If you're looking for an excuse to come visit, we can think of more than a few reasons to stop by. Check out one of our many award-winning restaurants or bars for a charming atmosphere unlike any other. Plan to attend a Food Truck Friday to kick off your weekend right. Mark your calendar for a larger event like Cars in the Commons (June 25) or the next Music by the Water Concert (July 27). Stop by our weekly Farmer's Market for farm-fresh goodies each Sunday. Better yet, peruse our full events calendar at NortonCommons.com/Events and choose what appeals to you. We've got something for everyone!

In other exciting summer news, expect to see a few new businesses open in Norton Commons soon. Crust & Crumb, the long-awaited bakery and lunch spot, will open

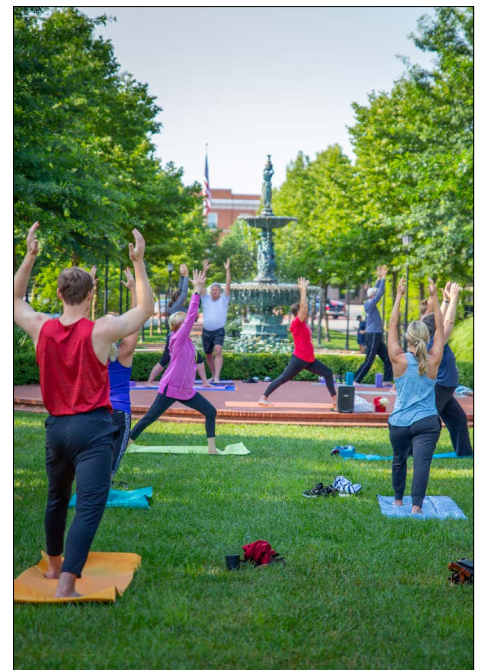

on Meeting Street in a few weeks. Blume, a full-service florist, and Woof Gang Bakery & Grooming will likewise open their Meeting Street doors shortly. A new concierge medical provider will open at Internal Medicine and Pediatric Partners in our North Village. Expect to see other fun business additions soon, too. At Norton Commons, we always have something in the works. Our goal is to create a convenient, beautiful lifestyle here, and these businesses help our neighbors enjoy life to the fullest, close to home.

If real estate is on your mind this summer, check out our latest new builds in Norton Commons. Well-planned single-family homes, townhomes, and condos of varying sizes and price points are currently available. Many are in our Oldham County section, The Hamlet, which offers an elevated living experience with Oldham County charm (and excellent public schools). If you'd like to tour available properties, give our sales team a call: 502.412.5085. They're seasoned pros who would be happy to answer a few questions or give you the full Norton Commons rundown.

Don't let the summer pass you by without seeing what Norton Commons has to offer. Whether you stop by for a short visit or plan on making your stay more permanent, we can't wait to see you around the neighborhood!

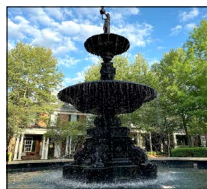

Warmly,

- The Norton Commons Development Team
