# Dear Neighbor:

What a wonderful summer we've had! Concerts, festivals, new business openings, and celebrations a-plenty took place in Norton Commons. We have welcomed over 40 new families to the community this year so far, and we've grown by leaps and bounds into our Oldham County section, the Hamlet.

Business is bustling, and Norton Commons has announced 20 new businesses in the neighborhood since July 2023. That means more great spots in the community, offering quality goods and services as well as employment opportunities within easy walking distance for neighbors.

We also recently completed two new amenities we're excited to share: Moonseed Park, a lovely formal green area, and the boardwalk and picnic area at the North Village Lake, a great spot to relax and see the sunset. These parks offer residents relaxing, beautiful outdoor living spaces, and are just two of the many reasons why Norton Commons offers More Life Per Square Foot®.

Development also continues in our exclusive Oldham County section, the Hamlet. The Hamlet offers the charm of Oldham County living with spacious lots in a more rural setting, along with the community conveniences residents expect in Norton Commons. Of course, we can't forget those award-winning Oldham County schools, either.

In addition to development efforts, we've hosted a flurry of other activities over the past few months. Recently, Christmas came early to the neighborhood with the filming of a national Hallmark Channel commercial in our South Village. It should air this holiday season before each Hallmark Christmas movie. We certainly think Norton Commons is a picture-perfect place, and we're honored to hear Hallmark Channel does too.

We also have an array of fall events planned, so mark your calendars now and plan to join us.

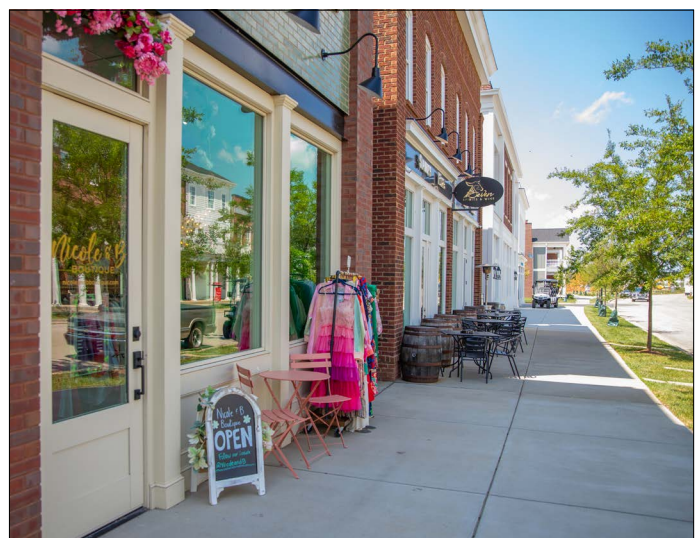

Our Oktoberfest is back on September 13, with Bavarian-style music, food, and, of course, beer. Don your finest lederhosen or dirndl and join us for a family-friendly fete in true German style. Then on September 28, visit our North Village Square for Evolve KY's National Drive Electric Week event. If you enjoy geeking out over all things green, this is for you. Evolve KY will showcase vendors related to energy-efficient technologies and driving electric. Test drives of EVs will even be offered, so try out that Tesla!

Fall also means our beloved Fall Festival is back, this year on October 26 (2-5pm). We'll host the festival in Oval Park and will offer our famous train rides, face painting, balloon twisting, games, great local vendors, and, of course, trick-or-treat (2-4pm only). Costumes for kids of all ages are highly encouraged!

Finally, we can't forget about the holidays. Our Holiday Preview event will take place on November 9, highlighting our boutiques' finest holiday gifts and gear. Our annual Holiday Open house will be December 7, including our Toys for Tots drive, photos with Santa, and a special Tree Lighting Ceremony.

Whether you're enjoying one of our events, patronizing a new community business, or shopping for your dream home, we can't wait to see you around the neighborhood soon!

*- The Norton Commons Development Team*

# THE PURPLE MARTIN

This September, as the seasons change, we are opening our doors for Norton Commons' newest hospitality experience; The Purple Martin.

A welcoming and beautifully elevated stay for local guests & visitors from afar. For more information please visit us at [PurpleMartinKY.com](https://PurpleMartinKY.com)
