Holiday Open House December 7

10712 Meeting St. • Prospect, KY 40059
nortoncommons.com • 502.412.5085

Dear Neighbor,

Norton Commons has decked the halls, trimmed the trees, and prepped the presents. 'Tis the season, and we are ready to get jolly! Neighborhood shops are decorated in their holiday finest, with shelves stocked with incredible finds and great gifts. Community restaurants are rolling out winter menus and pouring festive cocktails. At last, it's year-end and Norton Commons is embracing ALL the holiday things.

In fact, the holiday bustle has already started around here since we're one of the largest hubs for small businesses in the entire Commonwealth. With over 100 independently-operated businesses in Norton Commons, our community is a great place to start if you want to shop local this season. With plenty of boutiques, salons, spas, service providers, and outstanding options for dining and refreshment when you need a break, Norton Commons belongs at the top of your shopping list.

We've got two picture-perfect opportunities to snag the season's hottest gifts on Shop Small Saturday on November 30, and Holiday Open House on December 7. On those dates, our boutiques and restaurants will celebrate with great promotions, unbelievable deals, and festive offerings. On December 7, we'll add extra cheer with horse-drawn carriage rides (5-7pm) and photos with Santa (4-6pm) in exchange for a new, unwrapped toy or monetary donation for Toys for Tots. Also, enjoy old-fashioned caroling in the town center from the acclaimed Christ Church United Methodist choir before our tree lighting ceremony at 6pm.

The North Village Market cottages have a lot to offer this season, too. They're open each weekend (Friday-Sunday) through Christmas. The new shops on the north side of the neighborhood are not to be forgotten, either. From clothing retailers, to gift shops, to a bakery, to a florist, Norton Commons has all you need to check off lists from A to Z.

Holiday shopping is not the only thing on our minds, though. The housing market remains hot around here too. We've just opened another section in our exclusive Hamlet area, offering Oldham County charm with Norton Commons conveniences. In the Hamlet and elsewhere, we have a variety of lots in diverse sizes and price points available now. While move-in ready inventory remains low, we're excited to offer a few new homes and condo options, too, for one-level living. Don't forget it's always the perfect season to build your custom dream home on a lot of your choosing.

With community conveniences like unique local businesses and top-notch amenities just steps from home, it's easy to see why so many love the Norton Commons lifestyle. If you want to experience a better way of living yourself, visit and check us out. Then schedule a tour with our sales team to get a more in-depth look at our walkable, friendly community. It's a great place to call home no matter the season.

Whether you're just stopping by to celebrate the holidays, or considering our community for your future home, we welcome you to Norton Commons. We wish you a very happy holiday season, and hope to see you around the neighborhood soon.

- The Norton Commons
Development Team
