From the Porch: A Note from the Norton Commons Team

There's something special about fall in Norton Commons. The golden light, the crunch of leaves underfoot, the distant sounds of a band warming up at the Amphitheater—it's a season that reminds us just how magical life in a true town can be.

We've had an exciting year welcoming new neighbors (and a few familiar faces!) into the community. From charming builds to stately homes, **over 50 homes have sold this year**, and the momentum is still going strong. In the **Hamlet in Oldham County**, thoughtfully designed homes continue to blossom around Moonseed Park and Peppermint Green. And in our **North Village**, construction continues on new residences nestled among winding streets, boardwalk trails, and lively town squares.

And it's not just homes that are growing. With over 20 new businesses opening their doors in the past year—and more than 100 service, dining, and retail options now calling Norton Commons home—there's always something new to discover just a short walk away. From Barry's Bagels to Ballou's, YogaSix, and Blume Florist, our business community is thriving and constantly evolving to meet the needs of our residents and guests alike.

This fall, we're also celebrating the season with a full lineup of events that bring neighbors together and welcome newcomers into the fold.

On Saturday, September 14, Evolve KY's National Drive Electric Week event comes to North Village Square, showcasing the latest in energy-efficient living and electric vehicles.

Our beloved **Fall Festival** returns **Friday, October 25**, from **2-5 PM** in **Oval Park**. With train rides, trick-or-treating, and activities galore, it's a favorite for families of all ages. (Costumes encouraged!)

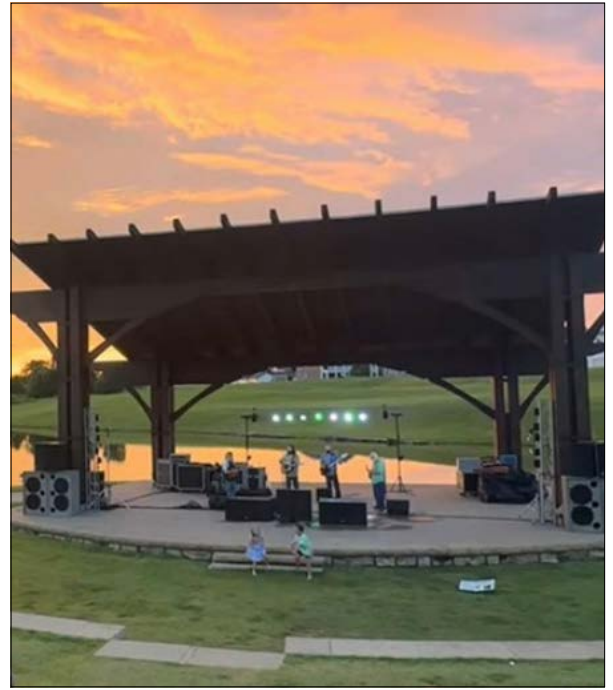

Our festive **Holiday Preview** on **Saturday, November 8** gives guests a first look at our boutiques' finest seasonal offerings.

And on **Saturday, December 6**, join us for our annual **Holiday Open House**, complete with **photos with Santa**, a **Toys for Tots drive**, and our **Tree Lighting Ceremony** to cap off a year of joy and community.

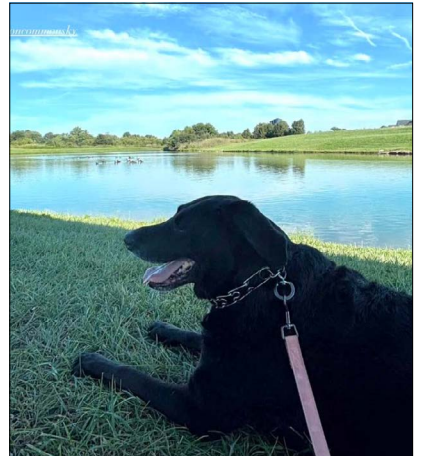

Whether you're visiting for an event, popping in for coffee, or considering calling this place home, we invite you to experience all the ways Norton Commons offers **More Life Per Square Foot®**. We think you'll feel the difference the moment you arrive.

See you around the neighborhood!
