Dear Neighbor,

The sparkle of the season has arrived, and Norton Commons is aglow with holiday cheer! Twinkling lights, festively decorated shops, cozy cafés, and the joyful buzz of neighbors gathering, there's truly no place like our community this time of year.

From boutique storefronts to the aroma of seasonal menus drifting from our local restaurants, the holidays here aren't just a moment, they're a full experience. With more than 100 independently owned businesses throughout Norton Commons, it's easy to check everyone off your list while supporting the small businesses that help make this neighborhood feel like home.

Mark your calendar for two can't-miss events:

- Shop Small Saturday – November 29
- Holiday Open House – December 6

On both dates, enjoy exclusive promotions, holiday treats, and festive surprises throughout the neighborhood. December 6 brings even more magic with photos with Santa (4–6 PM), carriage rides (5–7 PM) in exchange for a Toys for Tots donation, caroling by the Christ Church United Methodist Choir, and our beloved tree lighting ceremony at 6 PM.

Holiday shopping isn't the only thing bustling around here. We've just opened a new section in the North Village, where the rhythm of daily life meets timeless design. From morning coffee to evening concerts in the park, the North Village is the vibrant heart of Norton Commons, where restaurants, boutiques, and everyday conveniences are always just steps away. Whether you're looking for a single-family home, condo, or apartment, it's never been easier to live close to everything you love.

To learn more about available lots, homes, or future releases, contact our sales office, we'd be happy to show you around.

With locally owned businesses, top-tier amenities, and front-porch friendliness built into every block, it's easy to see why so many people choose to call Norton Commons home. Whether you're visiting for the holidays or considering putting down roots, we're glad to have you with us.

Wishing you a joyful season, and we hope to see you around the neighborhood soon.

Within Norton Commons, every street and sidewalk connects you to something special. From tree-lined parks to neighborhood cafés and evening concerts under the stars. Yet no two days here feel the same.

Whichever pace fits your lifestyle, you'll find it here!

Every Village is Crafted With...

- Premium Design Standards
- Outstanding Architectural Integrity
- Unmatched Community Values
